

# City of Mason City

## News Release

Subject: Sanitary Sewer Repair Project and Water Main Flushing  
Date: September 13, 2024

---

Starting Monday, September 16, there will be road closures and a 'stop please alternate' work zone for the Sanitary Sewer Repair Project, and water main flushing in Mason City.

### Sanitary Sewer Repair Project

#### *Road Closure:*

Weather permitting, South Carolina Avenue between 3<sup>rd</sup> and 4<sup>th</sup> Streets SE will be closed for approximately 2 weeks.

South Carolina Avenue between 3<sup>rd</sup>/4<sup>th</sup> Streets SE

#### *'Stop Please Alternate' Work Zone:*

The southbound lane of S. Kentucky Avenue will be closed, using a 'stop please alternate' sign around the work zone. Also in this area, 6<sup>th</sup> Place SE and Kentucky Court will be closed to through traffic. The duration of this closure is approximately 1 week.

South Kentucky Avenue

Additional closures will be forthcoming as the Sanitary Sewer Repair Project continues. Motorists are encouraged to use alternate routes during this time.

If you have any questions, contact the Operation & Maintenance Department at 641-421-3675.

---

**Water Main Flushing**

The Water Supply Division will be flushing water mains in the Northeast quadrant of town, all areas East of Federal Avenue and North of Hwy 122 starting Monday, September 16<sup>th</sup> and will continue flushing through Friday, September 27<sup>th</sup>.

*Water customers may notice some discoloration of the water after the mains have been flushed, however, the water is safe to drink. Caution should be used when washing clothing because discolored water may cause staining.*

The public is asked not to park near or across from fire hydrants during this time. If citizens have questions, please contact the Water Supply Division at 641-421-3685.
